TOVA

is proud to announce an upgrade to the flag and Eagle at the front of the Magnolia House.

There will a change to the eagle with a new Donated Eagle. This Eagle will be 24 in tall, with a 36 in wing span, weighing 185 lbs. of concrete.

It will be sitting on a

Pedestal will be of polished concrete, which will have two skirts in increasing size.

Accompanying the Eagle will be a Memorial Wall.

This wall will be 2 panels, each which will be supported by two steel channels on either side of the panel and anchored into a single step concrete platform.

There will be a concrete walkway, that will connect the panels starting at the street on each side of the wall.

The Trilogy Garden Club has volunteered to do the beautification of the grounds where panels and pedestal will be located.

Lighting will consist of 6 lights per platform and four lights around the flag pole and the pedestal.
